13. Any attempt on the part of a candidate to obtain support for his candidature by any means may disqualify him for admission.

14. The maximum number of candidates to be admitted to the examination may at the discretion of the Commission be limited to such number as the Commission may decide. If a limit is imposed and the number of candidates exceeds that limit, the Union Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for admission to the Military College.

15. The examination will be conducted by the Commission in the manner prescribed in Appendix II to the Notification.

In the case of candidates who are minors, the required certificate must be signed by their parents or guardians in the form prescribed.

18. Candidates when called for interview by a Services Selection Board, Physical Endurance Tests, Medical Examination or for subsequent training will be eligible for travelling allowance in accordance with the rules then in force. Candidates who have previously been before a Services Selection Board for the same type of Commission are not entitled to travelling allowance when called up for Services Selection Board interviews, Physical Endurance Tests or Medical Examination on subsequent occasions.

19. Success at the examination confers no right of admission to the College.

A candidate must satisfy the Union Public Service Commission and the appointing authority that he is suitable in all respects for admission to the Military College.

20. Before the candidate joins the Military College—

21. Candidates finally selected will undergo a course of training for about two years. Candidates will be enrolled under the Army Act as 'gentlemen cadets'. Gentlemen cadets will be dealt with for ordinary disciplinary purposes under the rules and regulations of the Military College.

22. While the cost of training including accommodation, books, uniforms, boarding and medical treatment, will be borne by Government, candidates will be expected to meet their pocket expenses themselves. The minimum expenses at the Military College are not likely to exceed Rs. 40 per mensem. If a cadet's parent or guardian is unable to meet wholly or partly even this expenditure, financial assistance may be granted by the Government. No cadet whose parent or guardian has an income of Rs. 800 per mensem or above would be eligible for the grant of the financial assistance. The immovable property and other assets and income from all sources are also taken into account for determining the eligibility for financial assistance.

The parent/guardian of a candidate, desirous of having any financial assistance, should immediately after his son/ward has been finally selected for training at the Military College, submit an application through the District Magistrate of his District who will with his recommendation forward the application to the Director of Military Training Army Headquarters, New Delhi.

23. Candidates finally selected for training at the Military College will be required to deposit the following amount with the Commandant on arrival:—

(a) Pocket allowance for five months at Rs. 40 per month.	Rs. 200/-

- (a) handed over to the cadet on his being granted a commission; or
- (b) if he is not granted a commission, refunded to the State.

On being granted a commission, articles of clothing and necessaries purchased from this allowance shall become the personal property of the cadet. Such articles will however, be withdrawn from a cadet who resigns whilst under training or who is removed or withdrawn prior to commissioning. The articles withdrawn will be disposed of to the best advantage of the State.

26. No candidate will normally be permitted to resign whilst under training. A civilian candidate who is not considered suitable to complete the full course of training may with the permission of the Army Headquarters be discharged. The Government will accept no liability regarding the result of operation or any expense incurred.

8. Standards for Height, Weight and Chest measurements.

(a) Height—

- (i) The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and quarter parts thereof.
- (ii) The minimum acceptable height for a candidate is 62 inches except in the case of Gorkha, Nepalese, Assamese and Gahwali candidates in whose case the height in correlation table at (b)(i) below may be reduced by two inches.

(b) Weight—

- (i) Weight will be taken with the candidate fully strapped or with under-pants only. In recording weight, fraction of a lb. will not be noted. A correlation table between age, height and average weight is given below for guidance.

Age last birthday	Height without shoes	Weight	
		Minimum	Maximum
Years	Inches	lbs.	lb.
17 to 18	62 and under 65	96	121
	65 and under 68	106	131
	68 and under 72	116	141
19	72 and upwards	126	..
	62½ and under 65	98	123
	65 and under 68	108	133
	68 and under 70	118	143
	70 and under 72	128	153
20 and upwards	72 and upwards	138	..
	62½ and under 65	100	125
	65 and under 68	110	135
	68 and under 70	120	145
	70 and under 72	130	155
	72 and upwards	140	..

- (ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent. departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be overweight but from the general build of the body are fit in every respect. The overweight in such cases

may be due to heavy bones and muscular development and not to obesity. Similarly for those who are under weight, the criteria should be the general build of the body and proportionate development rather than rigid adherence to the standards in the above table.

(c) Chest.—The chest should be well-developed with a minimum range of expansion of 2 inches. The candidate's chest will be measured by making him stand erect with his feet together, and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum and minimum expansions of the chest will be carefully noted. The minimum and maximum will then be recorded in inches

33 34
thus —, —, etc.
35 36

In recording the measurements, fractions of less than half an inch should not be noted.

4. Dental condition—

It should be ensured that a sufficient number of natural and sound teeth are present for efficient mastication.

(a) A candidate must have a minimum of 14 dental points to be acceptable. In order to assess the dental condition of an individual, points are allotted as under for teeth in good apposition with corresponding teeth in the other jaw.

(i) Central incisor, lateral incisor, canine, 1st and 2nd premolar and under-developed 3rd molar—1 point each.

(ii) 1st and 2nd molar and fully developed 3rd molar—2 points each.

When all 32 teeth are present, there will be a total count of 22 points.

(b) The following teeth in good functional apposition must be present in each jaw:—

(i) Any 4 of the 6 anteriors

(ii) Any 6 of the 10 posteriors.

(iii) Candidates suffering from severe pyorrhoea will be rejected. Where the state of pyorrhoea is such that in the opinion of the dental officer it can be cured without extraction of teeth, the candidates may be accepted.

5. Visual Standards—

Standard I

<i>Right Eye</i>	<i>Left Eye</i>
Distant Vision V6/6 or J2	V6/6
Near vision Reads 0.5 or J1	Reads 0.5 or J1

NOTE 2.—Candidates must possess good binocular vision.

Hearing Standard—

Hearing will be tested by speech test. Where required audiometric records will be also taken.

(a) Speech test.—The candidate should be able to hear a forced whisper with each ear separately standing with his back to the examiner at a distance of 20 feet in a reasonably quiet room. The examiner should whisper with the residual air; that is to say at the end of an ordinary expiration.

(b) Audiometric record.—The candidate will have no loss of hearing in either ear at frequencies 128 to 4,086 cycles per second. (Audiometry reading between plus 10 and minus 10).

(iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles, then the two straight lines are parallel and* the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and Rectilinear figures

The sum of the angles of a triangle is equal to two right angles.

In a polygon of n sides, sum of the interior angles is equal to $2n - 2$ right angles

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles

*If two triangles have two sides of the one equal to two sides of the other, each to each and also the angles contained by those sides equal the triangles are congruent

*If two triangles have two angles of the one equal to two angles of the other, each to each and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal, and the converse

*If two triangles have the three sides of the one equal to the three sides of the other, each to each the triangles are congruent

*If two right angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent

If two sides of a triangle are unequal, the greater side has the greater angle opposite to it, and the converse

Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest

The opposite sides and angles of a parallelogram are equal each diagonal bisects the parallelogram and the diagonals bisect each other

If a pair of opposite sides of a quadrilateral are equal and parallel, it is a parallelogram

The straight line drawn through the middle point of one side of a triangle parallel to another side bisects third side

The straight line joining the middle points of two sides of a triangle is parallel to the third side, and equal to one half of it

If there are three or more parallel straight lines and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal

B (ii)

Areas

Parallelograms on the same base and of the same altitude are equal in area

Corollary—The area of a parallelogram is equal to the area of a rectangle on the same base and of the same altitude

Parallelograms on equal bases and of the same altitude are equal in area

Triangles on the same or equal bases and of the same altitude are equal in area

*Equal triangles on the same or equal bases are of the same altitude

In a right angled triangle the square described on the hypotenuse is equal to the sum of the squares described on the sides containing the right angle, and the converse

Loci—The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines

The Circle—A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord, conversely the perpendicular to a chord from the centre bisects the chord

*There is one circle, and one only which passes through three given points not in a straight line

Equal chords of a circle are equidistant from the centre, and the converse

*The tangent at any point of a circle and the radius through the point are perpendicular to each other

If two circles touch the point of contact lies on the straight line through the centres

The angles which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference

Angles in the same segment of a circle are equal, and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle

The angle in a semicircle is a right angle

The circle described on the hypotenuse of a right angled triangle as diameter passes through the opposite vertex

The opposite angles of any quadrilateral inscribed in a circle are supplementary, and the converse

(B) (iii)

Areas—The square on a side of a triangle is greater or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse or acute. The difference is twice the rectangle contained by one of the two sides and the projection on it of the other

In any triangle the sum of the squares on any two sides is equal to twice the square on half the third side together with twice the square on the Median which bisects the third side

The Circle—In equal circles or in the same circle—

* (i) If two arcs subtend equal angles at the Centre they are equal, (ii) conversely, if two arcs are equal they subtend equal angles at the centre

In equal circles or in the same circle * (i) if two chords are equal, they cut off equal arcs, (ii) conversely, if two arcs are equal the chords of the arcs are equal.

If a straight line touches a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments

If two chords of a circle intersect either inside or outside the circle the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other

Proportion, Similar Triangles

(Proofs which are applicable only to commensurable magnitudes will be accepted)

If a straight line is drawn parallel to one side of a triangle the other two sides are divided proportionally, and the converse

*If two triangles are equiangular their corresponding sides are proportional and *the converse

*If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

If a perpendicular is drawn from the right angle of a right angled triangle to the hypotenuse, the triangles on each side of the perpendicular are similar to the whole triangle and to each other.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle and likewise the external bisector externally

The ratio of the areas of similar triangles is equal to the ratio of the squares on corresponding sides

Elementary Trigonometry

(Questions on Trigonometry will be optional)

(1) Measurement of angles

Sexagesimal measures and circular or Radian measure
Conversion of circular measures into Sexagesimal measure and vice versa

(2) Trigonometrical ratios for angles less than a right angle

The following trigonometrical ratios will be considered—

Sine, Cosine, Tangent, Cotangent, secant and Cosecant of an angle

Values of these trigonometrical ratios for angles of 0, 30, 45, 60 and 90 degrees

(3) Trigonometrical ratios of angles of any size and sign. Values of trigonometrical ratios for—

$0^\circ, 90^\circ-0^\circ, -90^\circ-0^\circ, 180^\circ-0^\circ, -180^\circ-0^\circ.$

Ability to read values of trigonometrical ratios or angles from trigonometrical tables

(4) Application of the trigonometrical ratios in solving simple practical problems in Heights and Distances.

Intelligence and Personality Tests

In addition to the interview the candidates will be put to Intelligence Tests designed to assess their basic intelligence both through the medium of language and without the use of language. They will also be put to Group Tests such as Group Discussions, Group Planning Outdoor Tasks performed in a group and lectures. All these tests are intended to judge the qualities of a candidate which may be broadly summed up as an assessment of his mental calibre which would include not only his intellectual qualities but also social traits and his interest in current affairs.

A candidate serving in the Armed Forces must submit his application through his Commanding Officer who, if he considers the candidate eligible will forward it to the Union Public Service Commission with his recommendation, vide Section C' of the application form. Applications of eligible candidates will not be withheld even if the candidate is not recommended. This is, however, not applicable to ratings (including boys and artificer apprentices) of the Indian Navy except special service ratings having less than six months to complete their engagements, who are not eligible to take this examination. Cadets of the Samik School, Dehra Dun, and students of King George's Schools should submit their applications through the Principal of the School.

No application received by the Commission after the date prescribed in the Notice will be accepted.

3 A candidate who is found to have knowingly furnished any particulars which are false or to have suppressed material information will be disqualified and, if appointed, will be liable to dismissal.

4 A candidate must send the following documents with his application—

- (i) A treasury receipt or CROSSED Indian Postal Orders payable to Secretary, Union Public Service Commission at New Delhi Post Office for Rs 37.50 (Rs 9.97 in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes) but candidates who obtained the application forms etc., from the Union Public Service Commission on payment of Re 1/- need send only Rs 36.50 (Rs 8.97 in the case of candidates belonging to Scheduled Castes and Scheduled Tribes).
- (ii) A Certificate of Age
- (iii) A Certificate of Educational Qualification
- (iv) Two copies of recent passport size photograph of the candidate.

Details of the documents mentioned in items (i), (ii), (iii) and (iv) are given below—

The amount may be deposited in the nearest Government Treasury or in a branch of the State Bank of India or in a State Treasury authorised to transact business on behalf of Government (amount deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India). The Treasury or Bank should be asked to credit it to the account head 'XXXVI—Miscellaneous Department, Examination fees. Receipts of the Union Public Service Commission'. The name of the examination and of the treasury at which the fee is deposited should be clearly entered in the treasury receipt. In no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

NOTE 1—Candidates residing abroad at the time of submitting their applications should deposit the amount of the prescribed fee, the equivalent fee of Rs 37.50 (Rs 9.97 in the

case of candidates belonging to the Scheduled Castes and Scheduled Tribes), in the office of India's High Commissioner, Ambassador or Representative, as the case may be, in that country and forward the receipt from that office with the application.

NOTE 2.—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED. This does not apply to displaced persons seeking remission of the fee, *vide* paragraph 7 below.

(ii) *A Certificate of Age.*—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the candidates must send in addition to the Matriculation certificate an original certificate together with a copy thereof from the Headmaster of the High School from where he matriculated showing the date of his birth or his exact age as recorded in the school admission register. An Anglo-Indian or an Indian Christian, may send his original baptismal or birth registration certificate together with a copy thereof instead of the headmaster's certificate.

If the Matriculation or equivalent certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the school from where he appeared in the Matriculation or equivalent examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the Military College. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions sent with an application, the application may be rejected. Further they are warned that if the date of birth stated in the application is inconsistent with the age shown in Matriculation certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Displaced persons, who have lost their original Matriculation Certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Cadets of the Sainik School, Dehra Dun, and King George's Schools must submit a certificate of age from the Principal of the School and no other certificate as evidence of age will be required.

(iii) *A Certificate of Educational Qualification.*—Candidates must submit a certificate or diploma in original with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (*i.e.*, University or other examining body awarding the particular qualification). If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Candidates who have appeared or intend to appear at any of the examination the passing of which would render them eligible to appear at this examination may also apply for

admission to the examination. The applications of such candidates will be accepted provisionally and they will be required to furnish proof of having passed that examination as soon as possible and in any case not later than the 20th June 1960 otherwise candidature will be cancelled.

(iv) *Two Copies of Photograph.*—The Candidate must submit two passport size copies of his recent photograph, one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front side by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned above without a reasonable explanation for its absence having been given, the application will be summarily rejected and that no appeal against its rejection will be entertained. Any documents not submitted with the application but explanation for absence of which has been given should be sent soon after the submission of the application and in any case they must reach the Commission's office one month before the date of commencement of the examination. Otherwise candidature for the examination will be cancelled.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them. If there is any inaccuracy or any discrepancy between any two or more such documents, an explanation regarding the discrepancy may be submitted separately.

Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from the Commission's examinations and selections and from employment under Government.

THE CERTIFICATES MENTIONED IN PARAGRAPHS 4(ii) AND 4(iii) ABOVE SHOULD INVARIABLY BE SENT IN ORIGINAL. THE COMMISSION DO NOT ACCEPT ONLY COPIES OF THESE CERTIFICATES; WHETHER ATTESTED OR OTHERWISE.

The originals of the certificates forwarded in accordance with paragraph 4(ii) and (iii) will be returned when the result of the application is communicated. CANDIDATES ARE ADVISED TO KEEP ATTESTED COPIES OF THEIR CERTIFICATES BEFORE SUBMITTING THEM TO THE COMMISSION. THE COMMISSION CANNOT RETURN THE CERTIFICATES EARLIER THAN THE DATE OF COMMUNICATION OF THE RESULT OF THE APPLICATION FOR WHATEVER PURPOSE THEY MAY BE REQUIRED; NOR CAN THEY SUPPLY ATTESTED COPIES.

If a candidate has already submitted the certificate required in paragraph 4(ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If a certificate cannot be submitted with the application, a reasonable explanation for its absence must be given with the application.

5. Candidates may be required at the interview by the Services Selection Board to produce the originals of any documents of which copies have been submitted.

6. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate in original, in the form given below from the District Officer or the Sub-Divisional Officer or any other officer of the district in which his parents (or surviving parent) ordinarily reside who has been designated by the State Government concerned as competent to issue such a certificate; if both his parents are dead, of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.

A candidate from the territory of Delhi may submit such a certificate also from the Additional District Magistrate or the 1st Class Stipendiary Magistrate or the Revenue Assistant.

The form of the certificate to be produced by Scheduled Castes and Scheduled Tribes candidates applying for appointment to posts under the Government of India.

7. A displaced person seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card in original or a certificate from the District Magistrate of the area in which he may for the time being be resident to show that he is a *bona fide* displaced person and a Certificate, also in original, from a District Officer or a Gazetted Officer of Government or a Member of the Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

3. "I declare that I migrated to India from Pakistan and entered the Union Services without a certificate of eligibility before the commencement of the Constitution, i.e. 26th January 1950, and am continuing in such service since then without a break."

9. The fact that an application form has been supplied on a certain date, will not be accepted as an excuse for the late submission of an application. The supply of an application form does not *ipso facto* make the receiver eligible for admission to the examination.

10. If a candidate does not receive an acknowledgement of his application within a fortnight from the last date of receipt of applications for the examination, he should at once contact the Commission for the acknowledgement.

11. Every candidate for admission to this examination will be informed at the earliest possible date of the result of his application.
